Dear Susan,

First, thank you so very much for bringing the Dance Innovations dancers to Matheny Medical and Educational Center. The feedback I received after the performance was all very, very positive. I know that our kids and adults really enjoyed the dancing, and I think your dance students enjoyed performing for us.

We'd love for you to come back for another performance. We can easily schedule another performance in the dining room. We may also be able to use the stage in the auditorium of the Arts Center, depending on the time and date. It is a bit more difficult to schedule this venue, as it requires transporting our students and residents down to the Arts Center (a labor intensive proposition), but we can try to make arrangements. Let me know or have Linda get in touch with me.

Again, thanks so much for the performance. The dancers were wonderful – both in terms of dancing and in the way they interacted with our kids and adults.

Sincerely,

Gail Cunningham
